Recital Information

- **Please mark recital and rehearsal dates on your calendar now.** Planning ahead will help limit conflicts. Registration in Session 2/Spring Session assumes recital participation.
- **You must inform the DCE office by WEDNESDAY, FEBRUARY 1 if your dancer will not be in the recital.** Unless the office is notified of your child's non-participation by that date, you are responsible for the costume costs. Costume invoices will be **emailed** to the address on file beginning in late February/early March. **Please note: Tippy Toes 1 & 2 dancers have until Monday, March 20 to inform us of recital participation.**
- **Remember, regular class attendance is essential.** For many reasons, including safety, confidence, and respect for teachers and fellow classmates, if a dancer has excessive absences from a particular class, they may not be able to perform in the recital with that particular class. That said, please continue to abide by all existing COVID-19 protocols and stay home if you are feeling sick, have known exposure, or test positive.
- **Onstage dress rehearsals are mandatory for every student dancing in the recital.** This is a vital part of preparation and must be strictly enforced for the safety of all dancers. Students unable to attend their onstage dress rehearsal will not be permitted to perform in that piece in the recital.
- **ALL performers remain onstage or backstage until the conclusion of the show.** Again, for the safety and security of all the students and our staff, this will be strictly enforced.

A packet with details about rehearsal and performance schedules, ticket information, costume specifics, and more will be distributed in the spring.
